[Click here for map, directions and parking](#)

## General information

### Time zone

London is on **Eastern Daylight Time** (UTC -4 hours) from March through October and **Eastern Standard Time** (UTC -5 hours) from November through February.

### Geography

London is home to areas of marshland as well as some of the most productive areas of farmland in Ontario. The eastern half of the city is generally flat, with gently rolling hills in the west and north.

The **Thames River** dominates London's geography, with the North Thames River and Thames River meeting at the centre of the city known as "The Fork of the Thames." The North Thames runs through the man-made Fanshawe Lake, located in northeast London.

### Provincial smoking regulations

Ontario has adopted a **no smoking policy** in all public places, which bans smoking from airports, office buildings, restaurants, hotels and all public facilities, except where designated areas are noted.

### Temperature expectations

#### Winter (December 21 to March 19)

Winter is a season some newcomers may not be used to. **Average temperature:** -6°C (21°F), but can often get much colder. **Snowfall:** 200 cm (80 inches) over the whole season. **Type of clothing to wear:** heavy coat, sweater, gloves, winter boots and warm hat.

#### Spring (March 20 to June 20)

Spring is a great time to see all of the trees and flowers bloom in the many parks and green spaces around the city and county. **Average temperature:** can reach 10°C (50°F), but is cooler at night. **Type of clothing to wear:** jacket, hat, gloves and boots. **For rainy days:** raincoat, rubber boots and umbrella are handy.

#### Summer (June 21 to September 21)

Southwestern Ontario is known for its gorgeous summers. **Average temperature:** 20°C (68°F,) but can often climb over 30°C (86°F) in peak summer months. **Type of clothing to wear:** dresses, shorts, short-sleeved shirts and sandals. A light jacket or sweater for cooler nights.

#### Autumn (September 22 to December 20)

Autumn brings cooler weather. This temperature change causes trees to turn beautiful colours, creating a spectacular display. Snow can start falling as early as November. **Average temperature:** between 10°C (50°F) and 12°C (54°F). **Type of clothing to wear:** lightweight jackets or sweaters and long-sleeved shirts.
